

New Scout Uniform

1st Stotfold Ridgway Scout Troop Information Guide

Information for new and current Scouts on the new uniform introduced in 2001.

The new Scout Uniform consists of a teal green shirt with navy blue activity trousers. A Scout belt is also required that shows the Scout emblem on the front. Please note that previous Scout belts can still be used as their is very little change in the new one.

A Scout also requires a neckerchief. This has not changed from the previous uniform and is green with a yellow border.

We are encouraging Scouts to purchase the Scout polo shirts as well as the smart shirt so that we can begin to use them on non-uniform nights where we are out as a group. This is an optional part of the uniform.

Other optional extras to the uniform include a Scout baseball cap, that shows the new Scout logo on the front. There is also a new woggle depicting the new Scout logo. Other Scout branded items include a fleece, waterproof jacket, activity shorts and sweatshirt.

As the uniform is more casual than the previous uniform, we will be using it more often as more of the current Scouts make the change.

Uniform can be purchased from our local Scout shop at:-
Boyd Field campsite, Henlow, on Tuesday evenings at 7:00pm to 8:30pm.

Uniform is also available to purchase online at www.scout-uniform.co.uk.
The website also includes a size guide.

Photos are not a good colour reproduction and shirts appear more blue than they are.

Long Sleeved Smart Shirt
