

New Scout Uniform

1st Stotfold Comanche Cub Pack Information Guide

Information for new and current Cub Scouts on the new uniform introduced in 2001.

The new Cub Scout Uniform consists of a dark green sweatshirt with navy blue activity trousers. All sections (Beavers, Cubs, Scouts and Explorers) now wear the same activity trousers. So the trousers do not need to be changed on the move from Cubs to Scouts.

A Cub Scout also requires a neckerchief. This has not changed from the previous uniform and is green with a yellow border.

An optional extra to the uniform is the Cub polo shirt. This is the same colour as the sweatshirt and is ideal for the summer period.

Other optional extras to the uniform include a Scout baseball cap, that shows the new Scout logo on the front. Other Scout branded items include a fleece (£25), waterproof jacket (£25) and activity shorts.

Uniform can be purchased from our local Scout shop at:-
Boyd Field campsite, Henlow, on Tuesday evenings at 7:00pm to 8:30pm.

Uniform is also available to purchase online at www.scout-uniform.co.uk. The website also includes a size guide.
