

New Scout Uniform

1st Stotfold Mount Longdon Explorer Scouts Information Guide

Information for new and current Explorer Scouts on the new uniform introduced in 2001.

The new Explorer Scout Uniform consists of a beige polo shirt with navy blue activity trousers. A Scout belt is also required that shows the Scout emblem on the front. Please note that previous Scout belts can still be used as there is very little change in the new one.

A Scout also requires a neckerchief. This has not changed from the previous uniform and is green with a yellow border.

There is a smart shirt available but we feel that currently explorers will not get the use out of the shirt to justify a further £17.50 cost. We may encourage the purchase of shirts in the future when the new explorer award programme is released next year. The activity uniform will now be worn regularly on trips and Scout Hut meetings

Other optional extras to the uniform include a Scout baseball cap, that shows the new Scout logo on the front. There is also a new woggle depicting the new Scout logo. Other Scout branded items include a fleece (£35), waterproof jacket (£40), activity shorts (£19) and sweatshirt.

Uniform can be purchased from our local Scout shop at:- Boyd Field campsite, Henlow, on Tuesday evenings at 7:00pm to 8:30pm.

Uniform is also available to purchase online at www.scout-uniform.co.uk. The website also includes a size guide.
